

LANE

CPRC Group in partnership with Lane Construction is now accepting tear off asphalt shingles in Hermon, ME. Following is pertinent information for your use in preparing material to be delivered to the site.

Location

Lane Construction
1067 Odlin Rd.
Hermon, ME

Hours of Operation

7:00am to 3:30pm. Monday – Friday.

Material Standards

Clean tear off shingles only including nails and tar paper. Loads containing more than 20% non-acceptable roofing material (By-Pass) (ie wood, siding, insulation) will be considered unacceptable. These loads will be charged a higher tip fee or the generator may remove the unacceptable By-Pass material for proper disposal.
