

Land Development and Personal Property Rights:

Striking a Balance in Hancock County

We hope you will join us for the sixteenth session in our Striking a Balance workshop series, which is addressing important growth and development issues facing local planning boards and Hancock County as a whole. The May 28, 2009 workshop will focus on transportation issues. Specific topics will include “complete streets” (designing streets to accommodate bicycles, pedestrians and people with disabilities), public transportation options and a discussion of vanpooling, ride sharing and other ways to increase our transportation options.

5:00-8:30 PM

VFW Hall

**Washington Junction Road
Ellsworth, Maine**

Striking a Balance

An outgrowth of the HCPC's Planning For Prosperity initiative, the on-going forum series started in 2004.

A rapid increase in demand for subdivided property in Hancock County has spurred the creation of this series. Organizers hope that the series will lead to:

- ✓ Increased Awareness of Subdivision Review Standards and Applicable State Regulations
- ✓ Greater Understanding of the Importance of Watershed-wide Planning
- ✓ Implementation of Planning Tools & Wise Development Practices
- ✓ Constructive Dialogue Among Municipal Officials, Conservation Groups and Those in the Development/Construction Industry
- ✓ Better Development Tracking at the Municipal and County Level

AGENDA

5:00 PM: Registration and meal

6:00 PM: Welcome and Introduction:
Ray Jones, Gouldsboro Planning Board and Hancock County Planning Commission executive board.

6:10–6:20 PM: Transportation Challenges and Investments in Hancock County, *Jim Fisher, HCPC*

With support from the
Maine Department of Transportation

Hancock County Transportation Trends

- The State Planning Office projects Hancock County's population will increase by 13% from 51,069 in 2000 to 58,006 year-round residents in Hancock County in 2020.
- The population 65 and over is expected to increase by 85 percent from 7,158 in 2000 to 13,158 in 2020.
- Between 2001 and 2006 Hancock County's obesity rate increased by 8% to 26.6%
- Average annual daily traffic increased \approx 1% annually on arterial roads from 1997 to 2007.
- 2006 Ridership
DTI 356,156 trips
WHCA 136,096 trips
West 22,130 trips
- Transit providers in Hancock County are working together to connect smaller towns with Bar Harbor, Ellsworth, Bucksport and Bangor.

Funding from Maine State Planning Office and Bar Harbor Bank & Trust has helped make this workshop series possible. Other partners in this endeavor include the Down East Resource Conservation and Development Council, Union River Watershed Coalition and Gouldsboro Planning Board.
